Adrenaline Sports Center Announces Decision Not to Renew Lease, Explores Opportunities for Continued Operations

RAMSEY, MN – Adrenaline Sports Center (ASC) announced today that its current ownership has made the difficult decision not to renew its lease when it expires on May 31, 2027. Jason Jacob, majority owner of Adrenaline Sports Center, is actively exploring opportunities to transition ownership of all or part of the business and its assets to an interested buyer, with the goal of allowing the facility to continue operations beyond May 2027. Any continuation of operations would be contingent upon securing new ownership and successfully negotiating a new lease agreement with the building owner, BLIP 1, LLC. If new ownership cannot be established or a new lease agreement cannot be reached, ASC anticipates concluding operations around May 1, 2027, allowing sufficient time to vacate the facility before the current lease expires on May 31, 2027.

Over the past year, ASC's ownership has carefully considered several options regarding the future of the business. While the possibility of ending operations is a difficult one, the owners believe that transitioning the business to new ownership or concluding operations at the end of the 2026–2027 winter/spring indoor season is the most appropriate path forward. For nearly 17 years, Adrenaline Sports Center has been a part of the northwest Twin Cities sports community. Since opening in Coon Rapids in 2009 and relocating to Ramsey in February 2018, ASC has provided indoor field and court space for youth sports organizations, schools, adult leagues, families, and local businesses. Throughout those years, ASC has been more than a sports facility; it has been a place where athletes of all ages have competed, developed their skills, built friendships, and created lasting memories. ASC remains hopeful that new ownership can be identified and a lease agreement negotiated, allowing the facility to continue serving the community for years to come. Additional updates will be shared as discussions progress and more information becomes available.

To our community:
To the tens of thousands of athletes, families, coaches, organizations, businesses, and community members who have supported Adrenaline Sports Center over the past 17 years, we extend our sincere gratitude. Your loyalty, enthusiasm, and continued support have made ASC what it is today. It has been our privilege to provide a place for our community to come together through sports, and we are incredibly grateful for the relationships and memories created along the way. Regardless of what the future holds, we are proud of the role Adrenaline Sports Center has played in this community and sincerely appreciate everyone who has been part of our journey.

Thank you for 17 incredible years of support.
